About the Scholarship

There is no better way to broaden your horizons and expand your awareness than to live, study and experience another country and culture firsthand. The study abroad experience provides this unique and unsurpassed opportunity for personal growth, individual revelation and maturity, the possibility to master a new language and develop a sense of confidence and personal accomplishment.

The Scholarship will be awarded biannually (October and March). Students eligible to receive the scholarship will be chosen from Michael's Phi Kappa Theta fraternity, a history or political science major or a member of any of The University of Massachusetts, Dartmouth sororities. UMD offers a variety of programs that allow students to travel to many countries around the world such as Australia, Costa Rica, Spain, New Zealand, Brazil, England, Germany and France.

Established in the summer of 2010, the scholarship was created in loving memory of Michael after his sudden passing in April 2010. Michael's carefree spirit, contagious smile and warm heart graced the lives of those who knew him. He was a devoted son, brother, grandson and friend. Michael dedicated each day to his love of adventure, travel, and history; and, had returned from a semester studying abroad in Australia and New Zealand before his untimely passing. He was an active brother in the Phi Kappa Theta fraternity at the University of Massachusetts, Dartmouth where he was a senior majoring in history with a minor in political science.

Michael lived his life by saying "Do one thing every day that scares you." He certainly demonstrated this through his passion for adventure. Whether it was sky diving, bungee jumping, scuba diving or surfing, Michael W. MacFarlane Jr. lived life to the fullest and made the most of every moment.

Thank you for your support!

Founded in 1895 and located at the north end of Fall River, Massachusetts, the Fall River Country Club is a classic New England golf course. Our members and their guests tread historic fairways, which have seen the likes of golf legends Bobby Jones, Harry Vardon, and many more. Situated along the banks of the Taunton River, the course features water views on 14 of 18 holes. Every club in your bag must be utilized to conquer these links, which can stretch to a deceptively long 6,300 yards from our longest teeing grounds. Regardless of your skill level your golfing experience will be both memorable and enjoyable. This course, with its liberal stands of maple, oak and pine trees as well as elevated tees and greens, challenges one's golf skills and tantalizes the senses.
